

Activities Awards Handbook 2021/22

Introduction & FAQ

The Students' Union's Activities Awards celebrate student-led achievements from this academic year.

This is your chance to shine a light on those students who you think deserve recognition for their hard work and contributions to the student community.

The 2021/2022 Awards fall into two categories:

Student Group Awards, which celebrate the amazing events, campaigns, achievements and progress made by our clubs and societies.

Volunteering & Fundraising Awards, which recognise all of the incredible efforts made for charities, the community, and fellow students.

Nominations close on **Friday 22 April at 12:00pm (Midday)**. You can make as many nominations as you like, for as many awards as you like. The more detail and information you provide, the more reasons our panel will have to choose them as a winner.

We welcome nominations from all students, including students who aren't a member of any student groups, haven't physically been on campus this year, etc. All activities count, whether they were held in-person or online. And yes, **you can nominate yourself** – in fact, we encourage it!

If you have any questions with the awards or nominations process, please don't hesitate to get in touch with us at unionactivities@le.ac.uk
