

2025 Executive Elections Results

The formal results of the 2025 Spring SU Elections can be found below.

There was a total of 4912 votes cast this year.

As per our [announcement](#), we received a significant number of complaints in relation to candidate conduct. We have taken the time to thoroughly review all student feedback and investigate any complaints in regards to this year's elections which resulted in some candidates being disqualified.

Where a vote was cast for a candidate who was disqualified, the vote would be transferred wherever a second-choice vote was provided under the Single Transferable Voting system. Where no second preference was given, the vote was then considered void.

The result has been confirmed by the Independent Returning Officer.

We send our congratulations to all successful candidates, and we look forward to working alongside them in 2025/26.
