Be Inclusive Be BAME

GET TO KNOW ME:

My name is Haleigh, I am a second year criminology student from Hackney. Being from a Jamaican family, I have always been taught to be proud of my heritage and culture. Meaning I am unapologetically black...as I should be period! I believe you should be unapologetically you too!

MY MOTIVATIONS FOR RUNNING:

VOTE HERE:

- Data from 2021 shows that 8,469 students (52.1%) are BAME, and it still feels like our voices aren't being heard
- Stop BAME students from being passive about things they have concerns for due to fear of a lack of change and wasted breath

MY PLEDGE TO YOU:

- Get more Res Life events spanning across the year that cater to BAME students that are not just in our designated months
- Have a broader selection of Halal food options so that everyone has the same amount of food to choose from
- Have more focus groups for BAME students encouraging them to give their input in the university

AND THAT'S WHY YOU SHOULD...

VOTE HALEIGH FOR BAME
