

# Sustainability Part-Time Officer remit:

1. Provide a platform in the Students' Union for students to raise issues and ideas around sustainability.
2. Conduct campaigns to lobby, promote and enhance sustainability within the Students' Union as well as coordinate with the University where appropriate.
3. Encourage students to engage with sustainability within Leicester Students' Union.
4. Be responsible for communication to students on matters concerning sustainability.
5. Maintain and promote Union policies around sustainability to students.
6. Support student groups related to sustainability in achieving campaigns and projects.
7. Support the Activities Officer by liaising with them on feedback from students on sustainability.
8. Represent students by consulting, discussing and voting on ideas and policies at Student Council.
